Over a million people have attended Ron Meyers' Productions in the last two Decades!

Ron Meyers began Christmas City in 1984 as a small outdoor event. Since then, it has grown to be one of the largest events to be held inside the Mississippi Coast Coliseum. Ron's highest priority is quality items set inside a fun festive atmosphere. Whether a shopper or an exhibitor, you will not be disappointed! The proceeds from Christmas City stay in the community and help the less fortunate as well as provide scholarships! It's time for you to experience the show everyone is talking about!
